

Fall Semester ACT Prep Classes

Preparing for the ACT takes time...the time is now! If you are a junior, summer is a great time to get ahead of your competition. If you are a senior, this is your last chance to prepare before the September ACT.

The instructor will be Test Prep Specialist Jason Franklin: the most popular ACT Prep instructor in the State of Illinois. These sessions will look at the test overall and practice general test-taking strategies that can make getting better scores on the ACT a reality.

The following are *true stories* from our student who took the June ACT.

Ray	6 point improvement	16 to 22
------------	----------------------------	-----------------

“I just wanted to give you a call to let you know how much Ray improved. He and I were hoping for a 20. Thanks for offering the course.”

-Ray's Mom

Shelby	5 point improvement	27to 32
---------------	----------------------------	----------------

“So you cannot imagine how excited I am right now! I just looked at my June ACT scores and I could not believe it! I got a 32! I was so discouraged when I didn't improve on the April test but I went back to the notebook from your class and looked over tests, rules and reminders you gave us. It helped a lot and I can't believe how I improved! My goal was a 30 but I never dreamed that I would get a 32! I just wanted to thank you for the encouragement! I am so glad I took your class and I thank you for all your time and effort!”

Shelby

Mackenzie	4 point improvement	22 to 26
------------------	----------------------------	-----------------

“I'm just letting you know that I did a lot better on my ACT. I went from a 22 to a 26. I thought the June prep class was very helpful in improving my score and I just wanted to thank you.”

Thanks again, Mackenzie

Justin	4 point improvement	27 to 31
---------------	----------------------------	-----------------

“THANK YOU! I am now eligible for an honors program at St. Louis University that I wouldn't have been able to get into otherwise!”

Justin

Brittany	3 point improvement	20 to 23
-----------------	----------------------------	-----------------

“I am sending you my ACT score from June. I went up 3 points! I was very excited I just wanted to thank you for helping me.”

Thanks again! Brittany

Madalon	3 point improvement	24 to 27
----------------	----------------------------	-----------------

“I just got my online test scores for the June test and I am very pleased with my score. I finally reached my goal and got a composite score of 27 and am sooo happy!!! I want to thank you so much for all your help and helping me raise my score from a 24 to a 27. It means a lot.”

Thank you so much for all your help,
Madalon
